Kenyan company, W.E.E.E-Centre

Receives

Century Engineering Gold Award 2022

Kenyan Embassy congratulates

BERLIN, 21st NOVEMBER 2022. This year's **CENTURY ENGINEERING AWARD 2022** will be presented to the **Nairobi -based Kenyan company WEEE-Centre, on 24 November 2022 in Dresden, Germany.**

Kenya is very pleased and proud that the highly - acclaimed and distinguished Advisory Board of the **MSAO Future Foundation**, has awarded this prestigious prize to a Kenyan company.

The **CENTURY ENGINEERING AWARD 2022** will be presented on the occasion of the adoption of the **Global Gate Africa-Europe Investment Package**, which aims to help Africa achieve strong, inclusive, green, digital recovery and transformation.

This is part of the **Global Gate Africa-Europe Investment Package**, which was adopted at the **AU-EU Summit** in February 2022

The fact that this Kenyan company, for which sustainability and innovation are of great importance, is receiving this prestigious award, shows that Kenya is well on its way to making its economy innovative and sustainable.

The award ceremony will take place on **Thursday, 24th November 2022, at 19:00 hrs** at the **Lingnerschloss in Dresden** (one day before the award ceremony of the German Africa Prize), where the Deputy Head of Mission of the Kenya Embassy, **Ambassador Dr Esther N. Mungai**, will also be present.

There will also be a Press Conference hosted by the Head of Mission, **Ambassador Thomas B. Amolo, EBS**, at the Embassy of the Republic of Kenya, on **Wednesday, 23rd November 2022 at 14:00 hrs. (Rheinbabenallee 49, 14199, Berlin)**

Mr. Joseph Oliech, Project Manager at the WEEE Centre, Nairobi, Kenya, will be present at the press conference in Berlin and also receive the **Century Engineering Award**, in Dresden, the next day.
